Castleturvin House is registered with the office of the chief inspector of social services as a designated centre under section 50 of the Health Act 2007

The Waldron unit is a secure eight bedded unit with open access to a secure garden with raised flower beds and an enclosed walkway to the conservatory. This unit is ideal for residents to reminisce due to the murals on the walls and artifacts from earlier days. Our activity therapist is trained in the sonas programme.

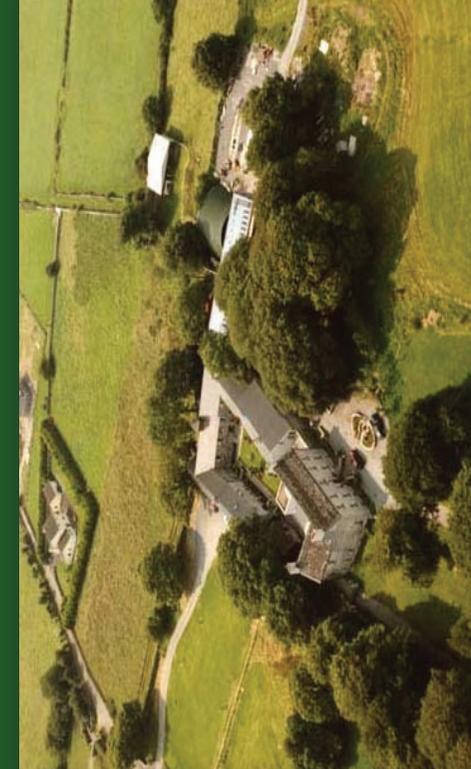

- We are a member of the 'Fair Deal' and registered and inspected by HIQA.
- A letter from the referring Doctor is required.

## Nursing Home

Castleturvin House is a two story purpose built Nursing Home set in rural surroundings with a pleasant outlook over neighbouring countryside.

It is conveniently located just one mile from Athenry, five miles from Craughwell, and is just minutes away from first exit off the new Galway-Dublin motorway bringing Galway City within ten minutes journey. Castleturvin House provides luxurious accommodation and professional nursing care.

The rooms, a choice of spacious single and double rooms each with ensuite are all tastefully decorated to a very high standard and offer all modern facilities.

Each bedroom has a door leading to courtyard or balcony. Each bedroom is equipped with direct dial private telephone, television, nurse call bell, smoke detector, and emergency lighting. Wi-Fi is also available.

There is underfloor heating and for added comfort each guest can control the heating in their bedroom.

Castleturvin House is fully wheelchair accessible and there is a wheelchair lift to the first floor.

At Castleturvin House each resident is cared for with dignity and respect within a safe comfortable and friendly environment, which provides stimulation and promotes independence where appropriate.

Meals are prepared in our modern kitchen, and the high standard our menus are a special feature at Castleturvin House. Guests can dine in their rooms or in our spacious dining room.

For the added comfort of our guests there are two lounges, activity room, and a library. There is tea/coffee making facilities in one of the lounges.

Landscaped gardens and enclosed courtyard provide a quiet and peaceful retreat. When the weather gets chilly our guests can retreat to the conservatory. All religious, cultural and social requirements are respected.

Castleturvin House is managed by Carmel Killeen RGN, SCM, BA. HEALTH MAN. who has over 30 years nursing experience, Carmel is supported by a dedicated and professional team of staff.
